Directions:  
Fill out the  
acronym  
with the four  
key ways to  
respond to a  
counterplan.

**S  
T  
O

Have your teacher, coach or captain assign you a CP, then come up with answers to it using the STOP acronym

---

---

**BONUS:** What's another key element of a CP that you can answer? HINT: it's the reason the CP is "net" better than the AFF!
