# Consequentialism vs Deontology

What does "means-based" refer to?

---

---

---

What does "ends-based" mean?

---

---

---

Do consequentialists focus primarily on the intent of an action? Why or why not.

---

---

---

Give an example of a philosopher that writes about consequentialism and one that writes about deontology.

---

---

---

Based on your answers, outline an example of a consequential framework and a deontic framework, with arguments on how to achieve that framework.

CONSEQUENTIAL

DEONTIC
