# What are the different kinds of impacts?

Draw a line between the columns to match the word with its meaning.

**Do these WITHOUT looking at your notes or PowerPoints!**

- |                 |                       |                       |  |
|-----------------|-----------------------|-----------------------|--|
| scope           | <input type="radio"/> | <input type="radio"/> | my bad impact stops your good impact, so do mine first |
| timeframe       | <input type="radio"/> | <input type="radio"/> | how much each person is affected                       |
| reversibility   | <input type="radio"/> | <input type="radio"/> | the likelihood of the impact occurring                 |
| magnitude       | <input type="radio"/> | <input type="radio"/> | how long the impact lasts                              |
| inclusivity     | <input type="radio"/> | <input type="radio"/> | my impact includes your AND another issue              |
| root cause      | <input type="radio"/> | <input type="radio"/> | how long until the impact happens                      |
| duration        | <input type="radio"/> | <input type="radio"/> | how many people are affected                           |
| probability     | <input type="radio"/> | <input type="radio"/> | my impact causes yours, so solve mine first            |
| internal link   | <input type="radio"/> | <input type="radio"/> | can the impact be “undone”                             |
| shortcircuiting |                       |                       |  |
